

**Highland Community College Suggested Program of Study
History (Associate in Arts)**

The History program can be used as preparation for a bachelor's degree or as a background for English, literature, modern languages, and the social sciences. Teaching, law, politics, and government services are professions that history majors may prepare themselves to enter. Students are urged to plan their program with an advisor after consulting the catalog of the college to which they plan to transfer and the applicable HCC Transfer Guide.

Potential Employment Applications of Degree

Historians prepare in narrative, brief, or outline a chronological or thematic account or record of past or current events dealing with some phase of human activity. The historian will act as an advisor or consultant and perform research for individuals, institutions, or commercial organizations on specific subjects.
